QR CODES

Scan the QR Code for more details!

Berenson is using QR codes on cabinet hardware display boards and catalogs, connecting customers with our website and instant access to up-to-date information.

These QR codes can be scanned using an online QR code scanner or app on a smartphone or tablet. (Please note the camera on some smartphones can also read QR codes).

You can find QR codes throughout this catalog. Scanning them will bring you to pages on our website with additional information on the subject featured.

QR codes on our display boards will bring up a convenient-to-use page on our website, with **parts from the collection(s) featured on the board grouped by CC length**. This page is just a click away and offers information on all parts in the collection, including those not on the display board.

QR Code stickers are available for your existing Berenson boards. **Our sticker sheet, 0175-STKR-01**, contains a sticker for every Berenson board labeled with the collection name and display board part number for your convenience.

Order yours today by emailing Orders@BerensonHardware.com

DISPLAY BOARD DETAILS

Scan the QR Code for more details!

DISPLAY BOARD OPTIONS

We offer display boards with and without printed part numbers. You can tell which is which based on the part number for the board itself.

Customers can request the type of display board that's best for their business.

Display boards measure 11 1/16in. x 15 1/16in. x 1/8in.

0292-7000-03-G • No part numbers printed on front

0292-7000-05-G • Part numbers printed on front

PLANOGRAM STICKERS (POG)

Additional part information can be found on the Planogram (POG) sticker located on the back of Berenson and R. Christensen by Berenson display boards.

- Dots on the POG note the parts that are shown on the front of the board.

Info that can be found on the POG:

- CC Measurement
- Product Type
- Finish
- Part Number
- Price Code

Featuring the Spiral Collection
in Brushed Nickel

R. Christensen
by Berenson

DETAILS

The decorative hardware of R. Christensen by Berenson is crafted to complement the sleek appearance of **contemporary** spaces.

This line includes the Art Tech series, featuring knobs and pulls with clean lines and **smooth surfaces**, that add sophisticated beauty to **minimalist designs**.

Their subtle beauty elevates kitchen and baths to the next level and are available in trending finishes such as Soft Gold and Charcoal Gray, as well popular finishes such as Brushed Nickel and Polished Chrome.

These collections feature a variety of hardware types including edge pulls, drop pulls, hooks and recess pulls. Designs are bold and add an updated take to classic styles.

DISPLAY DETAILS

Our R. Christensen by Berenson display boards are white in color.

A selection of favorite Art Tech collections have been paired together to be featured on 8 stylish display boards.

These boards do not feature item numbers on the front and include recent additions such as Fluid, Mini, and our new finish, Rose Gold.

For information on our additional lines, please contact Sales or scan the QR code above.
